Dear Parents,

Greetings!

We all know that the world is struggling for natural resources as the world is growing technologically day by day, it is our joint responsibility to teach the next generation to utilize the available resources. School has already taken steps to protect trees by implementing paper less communication with the parents (All circulars are sent through email) and all the parents have appreciated this initiative known as “Green School Movement”.

As a part of Green school movement the school has decided to implement the app based system for parent’s communication which will intimate parents about the day to day activities taking place in the school along with the photograph. Parent will also receive an alert when student enters the school premises and leaves the premises.

To make the student’s profile for the app, Passport photographs of both the parents (Father and Mother) needs to be uploaded through our website. Kindly follow the below steps for the same:

1. Visit our schools website www.cityinternationalschoolaundh.com
2. Click the “Parents Photo upload” link given on the home page (at the bottom of the page)
3. Click on the browse button given in the newly opened window and select the photograph.
4. Click the upload button after selecting the photograph.
5. Follow the same process from point 1 to 3 to upload the next photo.

Note:

- The photo should be of good quality.
- The photo should be in jpg format.
- Rename your photo with your mobile number which is present in school’s record.

Eg: If your mobile number is 919812345678 then the file name should be

919812345678.jpg

Principal

Mrs. Shilpa Gujare
